

Carols In Your Community

Let your light shine this Advent!

Every year during Advent, Christian Aid supporters get together to sing carols, raising money for our mission to eradicate poverty and fight injustice.

Whether it's a Big Sing (or a little one), this Advent we would love to hear more Christian Aid supporters than ever taking part in musical fundraising events. It's your time to shine.

Do it your way: you could sing in a shopping centre or a cathedral, outside a train station or a supermarket, in your church, local school or local pub. Wherever, and however you do it, be part of our movement for change by making your voice heard.

Together, we can make this a world in which dignity, equality and justice are available to all.

@christianaid

Follow these simple steps to make your event happen, big or small...

1. Gather your friends and decide where and when you want to sing.

2. Add the details of your event to one of our posters and/or social media templates.* Share your publicity far and wide! Don't forget to contact your local paper if you're doing something eye-catching.

3. Choose your songs, have fun, and remember to take lots of photos to share with us and your communities.

4. Make sure you have collection buckets and/or a contactless giving device available on the day.* Every pound you raise helps make a big difference.

5. If you're singing in a venue, or planning on singing in public, you might need permission. Check how to obtain this using our online guide to permissions via our website below.
