

Delivery-only slips

Create personalised slips to let people know how they can donate and return their Christian Aid Week envelopes.

Thank you for your support this Christian Aid Week. Every gift will help create lasting change for our global neighbours, of all faiths and none.

How to use this template

On the following page there are four printable slips. Using the fields on the right, you can edit the slips with details of an event or return address for your delivery-only collection.

To personalise them simply click each line to add details and let supporters know how they can donate.

As you type the correct text will appear on all the slips on the second page.

You can also delete a field altogether and this will remove it from the slips too.

Personalise your fields here: 

After updating the fields, print the slips at home and drop them together with your envelopes.

For best results, download and save this document to your computer before editing.

Give a gift and change a life

Hello,

I'm a local volunteer collector for Christian Aid. Please help us fight poverty and injustice this Christian Aid Week by making a donation in the envelope supplied.

Other ways to donate

It's easy! **Call** 08080 006 006

Thank you!

Christian Aid is a key member of ACT Alliance. Eng and Wales charity no. 1105851 Scot charity no. SC039150 Company no. 5171525. The Christian Aid name and logo are trademarks of Christian Aid. © Christian Aid October 2021 J263005

Adding your QR code or URL

You can now include a cashless giving option to boost your donations. We recommend setting up an e-envelope page for this at envelope.christianaid.org.uk and using both a QR code and a short website address on your slip. Alternatively, you could link to a JustGiving page. More advice about cashless giving can be found at caweek.org/digitalhelp

QR code

A QR code is a very simple and quick way for supporters to access your online giving page and donate.

Our e-envelope or a JustGiving page automatically creates a QR code and you can include this on your slips. Save the QR code image to your computer and add to the slips below.

Instructions:

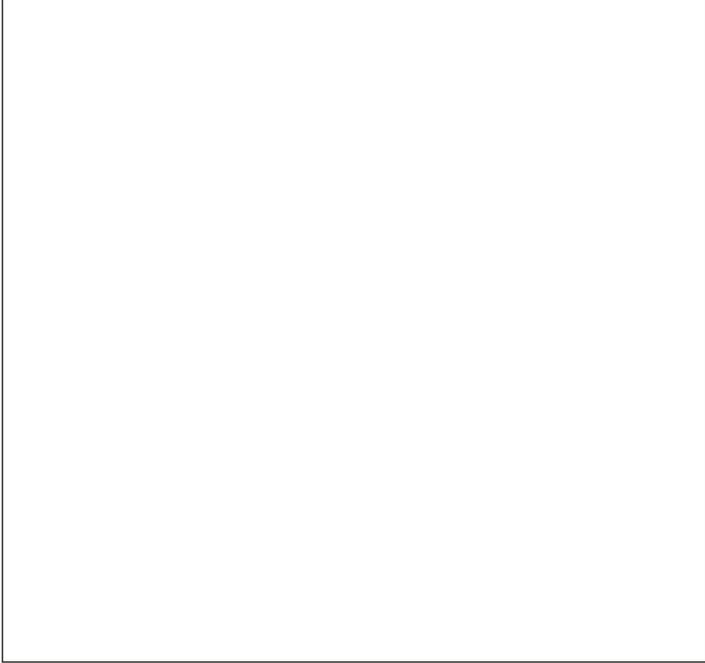

Click on the square > click 'browse' > find the folder where you saved your QR code image > select the image and insert your personalised QR code. This will appear on all four slips on the second page.

If you need some further help or practical support, our friendly Central Supporter Engagement Team are available to help you at hello@christian-aid.org
